

# A LUXURIANCE OF FINE DETAILS

*After the one extravagant gesture of creation in the first place, the universe has continued to deal exclusively in extravagances, flinging intricacies and colossi down eons of emptiness, profusions on profligacies with ever-fresh vigor.*

Earthly creativity echoes the divine. A luxuriance of fine details reveals the care and expertise of THE HOLY ROOD GUILD, where each piece is tailored by skilled hands.

*This close-up of the Pascha Nostrum chasuble reveals the elegant proportions of the design. The lotus motifs in the arms of the St. Andrew's cross form a perfect arch. And the embroidered vesica is centered and stitched with impeccable accuracy.*

*On the Brixworth chasuble the white-gold galloons are aligned ingeniously with the geometric pattern of the gold mosaic damask. The effect is of total integration between the appliqué galloon and the orphrey fabric.*
